Grassroots

An Army of Local Leaders – Trained, empowered, and engaged Americans stepping up to serve in local government, ensuring policies reflect the values of the people—not bureaucrats.

Training & Engagement

Rapid Response Testimony Teams – A network of informed citizens ready to testify at a moment's notice at every level of government, holding leaders accountable and stopping bad policies before they take root.

Americanist Reference Center

A Fortress of Truth – A powerful repository of resources—study group questions, talking points, and citizen-led training—arming Americans with the knowledge to fight and win.

Political Leadership

Parents and Patriots in Action – No longer on the sidelines, everyday citizens are now the driving force behind policy, ensuring government serves the people, not the other way around.

Victory Milestones

Defunded the Kinsey Institute

- Exposed truth - We educated Americans on the disturbing realities of the Kinsey Institute and why taxpayer dollars should no longer support it.
- Ignited Action - We didn't just inform; we activated Hoosiers to testify, contact legislators, and demand change.
- Held Lawmakers accountable - We ensured elected officials heard the voices of their constituents loud and clear.
- Shaped policy, made history - We helped design the legislation that cut taxpayer funding, turning advocacy into action.

Closed Loophole for Pornography

- Shielded Innocence - We took a stand to protect children from the toxic influence of pornography in schools.
- Fought for Their Future - Because young minds deserve inspiration, not exploitation.
- Held the Line - We refused to let predators and profiteers dictate what kids are exposed to.
- Empowerd Parents Strengthened Communities - We put the power back where it belongs: in the hands of families.

Identified Connections

- Unmasked the Ties – Exposed the corporate and financial networks enabling harmful policies and agendas.
- Followed the Money – Traced the funding streams that fuel corruption and undermine American values.
- Revealed Hidden Agendas – Brought to light the backroom deals shaping legislation behind closed doors.
- Crafted Legislation with Teeth – No empty promises—just strong, enforceable laws to shut down the problem at its source.
- Armed Americans with the Truth– An informed citizenry is the greatest weapon against corruption.

Our Mission:

Fight indoctrination, defend families, restore rights.

Our Vision:

We envision a future in which parents are the leader and government the follower. Where every teacher, administrator and/or legislator participates in the furtherance of sound educational goals free from global agendas and actively engages in the furtherance of championing of states' rights and parental responsibility. Further, we see a world where churches are actively engaged in the public square and willing to re-engage in their biblically-mandated role of speaking truth to power.
